

WE NEED YOUR HELP

We of the Area 08 SDIAA Accessibilities Committee need your help to determine what is needed to “Carry the Message” to those people in our Area who have special needs based on various disabilities. You can help us by canvassing your District GSRs and Groups, filling out this survey to the best of your ability, and returning it to the Accessibilities Committee at the next Area Assembly or Area Committee meeting. This will enable us to develop informational programs to provide support to those in our community with special needs. Thank you in advance.
