

San Diego/Imperial Area 8

Pre-Conference Workshops

February 24-27, 2012

Various Locations- see back of flyer for dates and times

Workshops will feature 2012 General Service Conference agenda items for consideration by Area 8 A.A. groups.

To gain understanding of important current events affecting AA as a whole attendance by GSRs, DCMs, and members of the fellowship is recommended.

Each workshop lasts 90 minutes including Q&A on the presentations and helpful information about making reports and gathering input from local groups.

By choosing its most qualified man or woman as a G.S.R., a group helps secure its own future- and the future of A.A. as a whole. (Reprinted from the pamphlet G.S.R. General Service Representative- page 2, with permission of

AAWS Inc.)
