Proposed Text:VI. K.1. The Area provides reimbursement for mileage driven by Officers and Committee Chairs. The rate of reimbursement will be reviewed by the Finance Committee and Area Treasurer with suggested changes presented to the Area Assembly at the January Area Assembly on even numbered years.

Background: There has been no increase for mileage reimbursement made for the cost of driving in the Area in at least the last 10 years. There has been requests made from many officers and committee chairs to increase the amount of reimbursement for miles driven. Officers and Committee Chairs will have the opportunity to discuss their financial concerns with the Treasurer and Finance Committee between the time they are voted into their position and the beginning of their term or their second term. This motion gives the Area the ability review and change the rate on a biennial review.
