

What do I do as a GSR

You represent your group by attending monthly District Committee meetings (1st Monday of each month 6-7 p.m.) with your fellow District GSR's, currently standing at 14.

You learn about the A.A. service structure and how the fellowship supports its members. *(Step 12)*

You receive information and materials relating to the betterment of your group and A.A. as a whole, from how we communicate and remain relevant in changing times, to advisories on matters of safety, unity (inclusiveness) and finances to name just a few. You choose the information you bring to your group based on relevance and interest to your group members.
