Speaker

Welcome Sasha, Literature Chair. Literature sets up displays at all Assembly meetings and attends ACM each month. The committee answers questions re publications and fills literature requests as needed. Each month they read and discuss one piece of literature as to its timeliness, usefulness, and attractiveness to the newcomer.

The committee will also review all advisory actions from the 2019 Final Report and report to our delegate if Area 8 action is indicated.

Sasha also showed us several versions of AA public service announcement that are currently in circulation (5-second, 10-second, and longer versions). Copies of newer pamphlets (like The God Word) were offered to us. Also, Sasha has a preliminary plan to host a movie night for Area 8. Details are being finalized.
