What happened at the Conference? Will the Big Book be changed or translated with updated language? Will the Preamble become non-binary? How will virtual groups be handled in the A.A. service structure? Who will get a slice of the Pie Chart?

You will not find answers to these questions on CNN, Fox News, or Univision! You MUST attend this Assembly to be fully informed and to be able to carry the Conference message back to your groups! Please join us on May 15th. It will be fun.

All this plus exciting guest speakers and a smattering of Area 8 business.
