

WHERE MONEY AND SPIRITUALITY MEET **at the** **2022 Area 8 Spending Plan Workshops**

WHEN: Monday, May 10, 5:30 – 7:00 p.m., **AND/OR**
Monday, June 14, 5:30 – 7:00 p.m.

WHO: **You!** All are invited – Area Committee Members, District Committee Members, Standing Committee Members, GSR’s, and Group Members.

WHAT: The 2022 Fixed Expense Spending Plan is now under construction. The Area Treasurer will provide a brief description on the process. Find the document at area8aa.org Finance Committee

Fixed Expense Spending Plan

- The plan was constructed with the minimum funding necessary to carry out Area administrative business based on group contributions of \$50 - \$55k.
- The plan includes funds for three in-person Assembly meetings; all ACMs will be virtual.
- The plan provides unallocated “discretionary funds” which allow the Area fellowship (groups, committees, districts, and individuals) to identify programs, projects, and workshops to carry out 12th step work by submitting requests as funds are available throughout the year.

WHY: **Your opinion matters**, and this is the perfect opportunity to put in your two cents where it matters most:

- To ensure that **the Area** determines how discretionary funds are divvied up for 12 step work, not the Treasurer or Finance Committee.
- To ensure funds do not wallow in unspent Officer, Committee, or Event line items.
- To provide Officers, DCM’s, Committee Chairs, and interested parties the opportunity to submit reasons for adjustment in individual budget line items.
