

COMMITTEE CHAIR QUESTIONNAIRE FOR 2022 SPENDING PLAN

1. Will your standing committee meet in person or virtually in 2022?

Virtually, so a Zoom Pro account at minimum needed for committee meetings.
\$150

2. Does your standing committee have needs not addressed in the barebones spending plan dated 19 April? Please describe those needs and detail the funds required?

2022 Information Technology Workshop funding for Chair, Web-servant or one of the committee members to attend. History \$1000

3. Does your committee have any special events planned for 2022 that would require funding in addition to the funds provided in the barebones spending plan? Please detail the event and funding required.

Mileage costs, where the need is to support other area standing committees, workshops and area 8 events requiring IT support.

4. Is the mileage provided in the 19 April Spending Plan adequate? If not, please explain your concerns. (Mileage is reimbursed at \$.35 a mile)

Unknown what support will be needed for other area 8 standing committee workshops and mileage required. Will need to consider use of unbudgeted expenses.

5. Does your standing committee have any questions or concerns about the process in use for developing the 2022 spending plan?

Unknown what support IT will be doing for other area standing committees and area events?
