

4 Area DCM Sharing Session

“HOW DO AAs GO TO ANY LENGTHS TO RECOVER, UNIFY AND SERVE?”

Supporting Your District, GSRs and Meetings

- The world is changing: What do WE need to change? In person? Online?
- How do we help the GSR be more effective? Training? Service sponsorship?
- How do you make service more attractive? Invite speakers to your District? Fun and informative Events?
- How can we, as DCM'S, better foster participation from our District members so that no voice is left unheard?

“GOING BEYOND FEAR”

The role of the DCM/DCMC

- Lost Meetings 911! How do we reach them? And what do we say once we do? Is your pitch effective? Why or why not?
- How do we approach “hostile” groups which resist ANY change – even getting registered?
- How can we see past our own preconceived notions of doing things to reach out fearlessly to all alcoholics that are in our reach?
- We often hear complaints that General Service is boring, too political, too time consuming. In what ways can we shift these perceptions?
- How can we better work together with A.A. entities which exist OUTSIDE the triangle of General Service (Intergroups, H&I, etc.)?

“HOW TO REACH ANYONE ANYWHERE”

Your Committees and You!

- How to build a great committee: What is working for you? What is not?
- How do you encourage and support self-starters in committees? How do you make committee work attractive?
- How can we mobilize our districts to identify and better serve remote communities that may go unnoticed and/or underserved?
- How can we be more inclusive, grow diversity and identify those alcoholics who are remote due to barriers of culture, geography, language, socioeconomics and/or gender?
