

Delegate's Report May 2022

I set down to write this report after returning from New York. My trip to the conference was amazing! I can't wait to tell you what happened. If you want to know what happened, I will ask that you make an appearance at the Post Conference Assembly on the 4th. It will be worthwhile. I have lots to report on about the conference.

A special thank you for all the calls, text messages, and emails received during the conference. I would also like to thank you for the gift basket. I am still enjoying some of the items while writing this. It was very delightful.

From the conference, I emailed a portion of the report that was presented by the GSO CFO. Kevin gave a full report to the entire body. He made it very inviting and colorful. This year's Grass Root – Area Challenge happens on June 06. The challenge to ask our members to donate \$6.06 on June 06, 2022, to help GSO become self-supporting. If each member donates the suggested amount, some of projects that GSO has on the back burners would be fully funded. Please help me by getting word out.

AA is alive and well throughout the US and Canada. I have made some new friendship that I hope will last a lifetime. The theme for the 73rd General Service Conference has been confirmed.

“A.A.'s Three Legacies – Our Common Solution”

Presentation Theme “General Service – Our Mighty Purpose and Rhythm”

Topics: Our Common Perils and Common Solution

Using AA's Literature in Carrying the Message

Fostering a Thriving Three Legacy Culture

Discussion Topic “Practicing Our Twelve Traditions Across the Group Settings”

I look forward to hearing how you begin to use these themes in your workshops or discussions.

This year, the Southern CA H&I Conference will be May 27 – 29, 2022 at the Big Bear Performing Arts Center. Several H&I members including myself will be there. Please pass this event along to your members as well. There will be hybrid zoom broadcast and translation available.

I would like to start setting up visits to your districts or committees. I have 3 trips planned in June. If some of the districts would like to get together and have one meeting, it would be helpful for me. I will have a few days in June available, but most will come in July and August. Let's see what we can get worked out.

Thank you for allowing me to be of service.
