Good evening Everyone,

It is so nice to be here tonight, wishing that all is going well for all of you. During this month just seems like more activities picked up, or at least it felt like I was busier than the previous month. Even though, I try to stay cool and indoors as much as possible, I've attended some district and group invites to their meetings with our Delegate Monty, my monthly virtual liaison meetings via zoom, local and out of area workshops with our amazing neighboring areas, including a getaway three day Regional La Viña Event in Las Vegas with area 42. As I attend AA events and workshops, I realize all the challenges we currently face in putting together these events/workshops for our membership, so thank you very much for all of those who take the time to help out and also for those who participate one way or another, All AA activities are very beneficiary for our daily recovery and for that I am thankful to be a part of.
