

July ACM Delegate Report

After our last ACM, I have been on the go. Even though I have been on the go, I wouldn't trade it for the world. Between report backs and work, I have no time to get in trouble.

Over the 4th of July weekend, I decided to stay home. I didn't go anywhere. It was very nice to stay home and relax. This is due to the recovery that I have granted. I am finally okay with being by myself. I am

okay with living alone. I have visited several districts in person and online in the past few weeks. It's been amazing to chat with some of the GSRs from around the area. I have several more visits planned in the next few weeks. If I haven't scheduled a visit with your district at this time, please reach out. If any of your groups would like a visit, I would be happy to come.

I attended the Unity and Service Conference in Concord. This was a cool event to check out. A group puts on this conference annually and presents topics on the Traditions and Concepts. I got to hang out with a few other Delegates during the event. I met the new Pacific Regional Trustee in person. She spoke on all 12 concepts and applying them to our everyday lives.

This was a hybrid event with speakers sharing on various topics. There were several Class A trustees and Class B Trustees at the event. I made several new friends and will be going back again.

From GSO:

I received notification of the desk assignments at GSO. Their updated contact information is listed for each desk.

I also received the new GSC Proposed Agenda Item Submission Form. I have attached them in English and Spanish. Please distribute them throughout the area. You will be able to find them on the website also.

I have also attached the Quarterly Contribution Report Statement for the 2nd quarter for our area. A full detailed report listing each group is available if each district would like it.

All the delegates received notices that the 2022 Conference Final Report timeline has been adjusted. The memorandum states that the full reports are adjusted as follows: digital anonymity protected version, mid to late September and Printed version around December 2022 or January 2023. When I got the digital version in English and Spanish, I will email them out to the ACM list. This year's timeline is being impacted by a couple of major circumstances in the category of things we cannot control,

including unforeseeable staffing changes that are affecting all projects and timelines in the Publishing Department as well as global supply chain issues.

The 2022 Pacific Regional Forum is just around the corner. If you are planning on attending, book your airfare now. The flyer is available on the website and attached to this email. I received a couple emails

from the regional forum coordinator. I have picked my topics to speak at the conference. I am just waiting on approvals. This will be a great opportunity to meet other members from other areas and talk about how they do general service. This will be a great opportunity to meet the General Manager, Board Trustee, Grapevine Publisher, AA World Services Director and various staff members. There will also be sharing sessions that will allow you to comment and ask questions of the board and staff.

By now, I am sure that you have heard that we lost one of our trusted servants. Alicia H passed away earlier this month. The family has planned services for this weekend. There will also be a

celebration of life at

the Scottish Rite Center on Saturday. The doors will be open at 330pm. Please join me at 6pm and share some fond memories with fellow AA members and the family.

For those who are interested in Service Sponsors, you will not want to miss the workshop present by District 6. This event will be Saturday as well from 1 to 4pm. Flyers are posted on the area website.

On the 31st will be the 26th Anniversary of LaVina. This event will be at the Machinist Hall in Kearny Mesa from 8 to 2pm. Flyers are posted on the area website.

The message of AA is alive and well. It gets passed along by you, the members. We are all members, and we need the help of the fellowship. Its our duty to pass along what has been so freely given to us.

We talk about what AA does and what AA doesn't do. The members in your group need to know that they are apart of the greater whole.

Thank you for allowing me to be of service.

Monty C

Delegate A08 P72
