

**Alt. Delegate- ACM Report**  
**January 19, 2023**

Good evening Everyone,

Wishing everyone is doing well early in this new 2023 year. I did provide a report at the Orientation Assembly this past Saturday, informing of how I kept busy from our last time we met into this new year and shared about my duties for all those new to this body and our area in service. My reports can be found either in assembly documents or in the Alt Delegates tab on our area's website, if not feel free to contact me and I will forward it to you.

I was nice to see lots of attendance at our first assembly of the year, either in person or virtual. Please stick around, we will need your continued help during the pre-conference process and area work planned for the rest of the year. I/We are available to visit your districts and/or answer any questions you may have, feel free to contact us via email, phone, or text at any time. I have included in this report some dates to upcoming San Diego Spring Roundup, SoCal H&I Conference and the SoCal Convention so you can mark your calendars and plan accordingly to attend. As I receive the flyers with more information, I will distribute them and get them posted to the areas event calendar.

- San Diego Spring Roundup- April 7<sup>th</sup> -April 9<sup>th</sup> (easter weekend), I will need three volunteers to share on general service and three readers for the general service panel, April 8<sup>th</sup> @ 9am. Please reach out to me if you would like to volunteer and participate.
- SoCal H&I Conference – May 5<sup>th</sup> – May 7<sup>th</sup> @ La Mirada Holiday Inn.
- SoCal Convention – September 29<sup>th</sup> – October 1<sup>st</sup> @ The Pacific Palms Resort (same resort as his past years) In the City of Industry.

Even though these can be months away, it always nice to know what AA events are to come ahead of us.

Just a reminder, if you have any questions with the Pre-Conference timeline let us know, I will be updating it after tonight's meeting and redistributing it to you DCMs so you can update the GSRs. Hopefully you and the GSRs can plan to attend at least one if not more of the Pre-Conference workshops in March after we get back from PRAASA.

That's all I have for you tonight, thank you for allowing me to be of Service.

Richard O.
