

Alt. Delegate- ACM Report
September 21, 2023

Good evening Everyone,

Wishing everyone is doing well, so happy to be here tonight for this ACM. Life is going well for me and I hope the same for all of you. This week has definitely been busy preparing and getting everything ready for our upcoming Elections Assembly. DCMs please remind all your GSRs to attend GSR Orientation/School, it does start at 8am. One of our Past Delegate will be running GSR school at this assembly. Its going to be great!

During this past month since last time we met, I have continued to attend my liaison duties, SoCal H&I Intergroup meeting was here in San Diego this month on August 27th which I did attend in person. I have also visited some groups activities. On September 2nd I was invited to facilitate a Group Inventory for a Group in Chula Vista, it was a very spiritual Saturday evening with them. On Sunday, September 10th I was invited to share at a Group's Anniversary up in Fallbrook, the venue was full of AA members and their families.

Area 8 was well represented at the 4 Area DCM Sharing Session by GSRs, DCMs, Members and my fellow Area Officers. I personally preferred to be in person, so drove up there that morning with Richard R. DCM for District 8, it was a wonderful drive up there and back, we sure did drink enough coffee that day! Thank you Johny O. (DCM District 15) for being our area's liaison, for the hard work put in to organize and make this sharing session happen. It was such a wonderful sharing session, the speakers were fantastic and shared lots of great general service information.

Just a reminder that the 71st SoCal AA Convention is coming up next Friday, September 29, Saturday the 30th & Sunday October 1st at Pacific Palms Resort, 1 Industry Hills Parkway, City of Industry, CA. 91744 . Registration fees are \$30, please visit the SoCal Website aasocal.com to register, for more information, or to view the additional events and activities planned for that weekend. Our General Service Panel will be Saturday morning around 9am. I hope to see you up there!
