

Alt. Delegate Report

September 23, 2023- Election Assembly

Good morning Area 8,

Wishing all of you a wonderful day for our Elections Assembly. As I have mentioned in previous reports and I'm sure you have heard it from other general service servants, General service continues and there are no breaks. This has been very important in my AA service life, it has kept me busy and involved with AA, its kept me involved and engaged with the AA movement and I am sure you have experienced the same, I can even bet that's why you are here this morning.

Welcome to all new (first time) GSRs to Orientation/School and to our Election Assembly. Thank you for being here! GSRs that attended orientation/school this morning, if there is any questions, feel free to reach out to me via text, call me, email me or find me during the assembly, I will be here all day. We do have one more GSR orientation/school this year which is coming up for the Budget Assembly in November. A special thanks to our Past Delegate Jerry C. for running GSR Orientation/School this morning, your service and dedication to our area is greatly appreciated.

Since our last assembly back in May for the Post Conference Assembly, there has been a lot going on area 8 and in AA where we have kept busy. I probably won't be able to list all the activities, events and workshops that have been attended but to name a few such as; SoCal H&I Conference, Unity Day and Labor Day Picnics, a number of Workshops put together by districts, committees and by our young people, its been my pleasure visiting our Districts and Groups in our area, thank you for those invitations. Some of our outside area events have been helping other areas with special elections at their assemblies as we do have guests from our neighboring areas here today assisting in our election assembly, there has been general service workshops in other areas were we have been present including general service area forums and sharing sessions with a minimum of our four southern California Areas. These events and activities just enrich our service journey, keeping us alive!

There is still much more coming up for the remainder of the year before this panels two year service commitment is over, time does go by very quickly. I want to thank all of you today standing for any officer position for the next panel 74, Area service and twelve step outreach work in our area can not be performed alone, we do need all your help! Thanks for being here today, for helping out and participating in Area 8.

Thank you for allowing me to be of Service.

Richard O.
